My sincere thanks to our entire school community for supporting both ANZAC Day Parades at school and for supporting the Community Parade on ANZAC Day. Our school is very committed to ensuring all students understand the significance of this annual event and we are also very fortunate to have such a supportive community.

Congratulations to all students for participating in the annual Cross Country event at school. Our thanks also to all parents for understanding and supporting this event whilst we tried to timetable the event around inclement weather and upcoming school camps. A big thank you to the Sports Committee for again making the event a great success. A list of the age group results is at the end of the newsletter.

A special mention for our senior students who take on, at various times, the role of Games Rangers. These older students greatly assist our younger ones in the playground at lunch break and they do a marvellous job, all in their own time. Well done students!

All families should now have the information regarding our upcoming Skip-A-Thon. The Sports Committee wish to rejuvenate some of our playgrounds and are hoping that everyone can “get on board” with this fund raising event. There will be alternative activities for those who are yet to master the art of skipping. The emphasis will of course be on fun, fitness and participation! Mr Branch has promised not to do any more demonstrations!!

Our thanks again to our P&C Association for covering the cost of Brett Lee from Internet Education and Safety Services attending our school to talk to all students in Years 2-7 and to parents in the evening. Brett was an excellent presenter and the information was clear and direct and we are certain that all students and parents now have greater awareness about the potential online hazards.

Parent-Teacher meetings for Semester One will conclude this week however we always welcome meetings with teachers at any mutually convenient time to discuss student progress. These face to face meetings enable some good communication about your child as well as getting to know your child’s teacher.

Our thanks to Mrs Hurwood, Mrs Burnett, Ms Crown, Mrs Fix, Ms Kielly, Mrs Kiss, Chappy Astrid and Mr Branch for giving up their own time to enable our Year 4 Campers to have some real-life learning experiences at Australia Zoo and Underwater World. These opportunities enable lasting memories and valuable learning experiences. Thank you teachers!

Thank you to parents who have been using internet banking to pay for excursions, camps, sports etc. Unfortunately, we have had some payments that cannot be processed by the school; eg OSHC payments, P&C voluntary contributions, etc. These payments will need to be returned to those parents. Internet banking using the school account is only for excursions, camps, sports, music (instrumental and choir), raw art etc. If you are not sure about a payment, please email accounts@jambheigss.eq.edu.au, whereby our Business Services Manager, Mrs Czaplinski, will be more than happy to help you.

P&C Day is scheduled for Friday, 23rd May, and is a special day on our calendar to thank the many hard working volunteers within our school community. Our school will again be celebrating this day as we truly value the home-school partnership. On any given day, there are many parents helping around the school such as the Mothers’ Day stall, Tuckshop, Helping with Reading, attending Meetings, etc., etc. Every effort has a major positive impact on our school and students.

CHAT WITH THE CHAPPY

Term is in full swing! I hope everyone is feeling settled into routine. If your not I'm just the person to talk too! I am always available for the social, emotional and spiritual needs of this community. Just send me an email or contact the office.

There are already a range of social and emotional supporting programs that are being run throughout the school. I continue to focus on equipping and supporting prep students through 'Fun Friends' and will begin the extended program 'Friends For Life' with chosen senior students this term. Both these programs where developed by internationally recognised child psychologist Paula Barrett. The content is engaging and covers many areas including, achieving your goals and how to be a good friend.

In other exciting news there is a 'Special Women and Wonderful Kids' event being run this Friday the 9th of May at 7:30-8:40am. This provides you with the opportunity to celebrate Mothers Day with some quality time with your kids. Enjoy being spoilt by them! There will be pancakes, coffee and some fun activities. The card-making table and photo booth are sure to be a hit. Luckily these memories won't be lost as I will print off your lovely photo booth pictures for you!

Happy Mothers and Special Women's day to you all, I hope you all enjoy spoiling those you love (and being spoilt!),

Does a teacher at your school go above and beyond in their classroom?

A Day Made Better recognises exceptional primary school teachers across the country. Last year, we received 5,700 nominations for over 1,000 inspirational teachers. This year, with your help, we're aiming to gather 10,000 nominations from every corner of Australia. Every nominated teacher will receive a certificate and gift to acknowledge their incredible contribution. And, if a teacher from your school is chosen as one of 10 winners, they'll receive $2,000 worth of supplies and an Apple iPad for their classroom.

Put your school on the map by encouraging parents, staff and students to nominate one of your exceptional teachers today.
