Well it seems we have made it to the end of another term, there are many tired students and teachers – all looking forward to recharging their batteries over the 2 weeks break. School resumes for term 3 on Monday 14th July. We ask parents to continue to support their child’s class teacher by getting children to school on time – class rolls are marked at 8.50 a.m. and students move to Spelling Mastery at 8.55 a.m. Students who arrive late must report to the office to receive a late slip.

From the start of term 3 our new Acting Principal, Mrs Wendy Hoskin will join our school team. Wendy is looking forward to coming to Jamboree Heights SS and working with teachers, students and parents to ensure we maintain our standards and our reputation in the community as a high performing school. Welcome Mrs Hoskin!

Unfortunately we are still having issues with some parents driving into the school grounds to drop off students via the pool gate entrance. This causes safety issues for students and parents coming along footpaths and not expecting road traffic at this time. Our solution will be to lock that gate and entrance from 8.15 daily, we thank you in advance for your assistance with implementing with safety precaution.

While we are on the matter of safety, parking and road rules – our friends at Mt Ommaney police have been in our streets over the past weeks issuing fines to drivers who do not adhere to the signed parking limitations – especially those drivers parking and leaving their cars in front of Prep and in the drop-off zone. Please be assured many people are working with various groups to try to resolve our ongoing parking and traffic issues; our major focus is to provide solutions to re-establish the flow in the stop-drop-and go space. Frustrated parents and caregivers who continue to ignore the signed parking regulations are not helping the community to find any resolution, they are just endangering our students. We really need to work together until the new plan can be implemented – park further away and walk, come to the drop off zone later when traffic congestion in the street has eased or even car pool with friends so we can reduce the traffic load in our street at the critical times.

From the start of Semester 2 – it will no longer be compulsory for parents and caregivers to sign their prep students in and out of the prep room, but it is the expectation that all students will be collected from the room each afternoon. It will also be permissible for your prep student to be delivered to their classroom and collected from their classroom by a sibling from the upper school (that is a sibling in years 4 – 7). To ensure the safety of all of our children, please notify your prep teacher if you will be altering your current drop off and pick-up system.

Senior Athletics Events and the major events day (Friday 18th July) will take place in week 1 of term 3. Students and teachers have been involved in trials for all track and field events, in PE lessons and in sessions run over some Fridays. Parents and family member are always welcome to come and watch events and support our young athletes in the afternoon semi-finals and finals and for the major event day on the Friday 18th July.

**PRINCIPAL’S DESK**
Report Cards are almost complete. These will be sent home electronically this year, so please contact Elaine at the office, if for some reason your email address has changed recently. Most parents and students should not get any surprises in these report cards, as all teachers have recently offered parent teacher interviews, where student progress and issues would have been discussed. At Jamboree Heights, academic achievement is graded on a 5-point scale and the language varies slightly on report cards dependent on the age of the child. For example an ‘A’ will be indicated on the report of a child in Year 5, a ‘Very High’ will be indicated on the report of a child in Year 1, and students in Prep have their own, slightly different reporting indicators. In most cases the following is what is reflected by the indicators on our reports:

A / Very High – Independently & consistently well above the standard expected at this time of the year.
B / High – Independently & consistently above the standard expected for this time of year
C / Sound – Consistently at the standard expected at this time of year
D / Developing – Below the standard expected at this time of year
E / Support Required – Well below the standard expected at this time of year.

For most of our students the expectation is that they will be achieving at a ‘C/Sound’ standard, indicating they can consistently complete work at a level that is appropriate for their current year level. This indicates that your child has demonstrated evidence and produces work at a satisfactory/sound level. We ask that parents chat with children about their report and celebrate their success and discuss future goals to allow for continued growth and academic development.

During week 10 we will not be having our regular senior and junior assemblies – instead we are having a Year 4 – 7 assembly in the Hall on Friday 27th from 2pm to wish our Ms Kielly FAREWELL! Parents and community members are most welcome.

CENTENARY STATE HIGH SCHOOL

Centenary SHS Enrolment Packs
Just a friendly reminder that completed enrolment documents for all students entering Year 7 or Year 8 at Centenary SHS next year are due by the end of this term. Class organisation and timetabling for the 2015 school year begins at the start of term 3, so it is essential that we have the paperwork to ensure the best placement of students. Completed documents can be dropped in person at our school office between the hours of 8am and 4pm or sent by post to Centenary SHS.
FREE DRESS DAY

There will be a Free Dress Day on Friday 27th June. The Student Council has flagged this free dress day as a fundraiser to support our Foster Child. The school sponsors a child from Myanmar in Burma and all money raised on Friday’s free dress day will go towards paying these annual sponsorship fees. Children may come in free dress of their choice, but need to ensure they have covered in shoes and as we continue to try to spread the sun smart message we ask that no shirts without sleeves are worn. Don’t forget your GOLD COIN donation!!

CLASS

The next issue of the CLASS newsletter is currently being prepared and needs advertisers to help sponsor this great publication which celebrates our State’s educational developments, opportunities and initiatives available to all students in our CLASS schools. This issue details the explicit teaching practices utilized. If you would like to advertise in this issue please contact Kim Green (CLASS Business Manager) on 0423 437 443 or kgr00100@bigpond.net.au

CLASS is also looking for a person to assist in the seeking of advertisers with remuneration being on a commission basis. If this interests you

Reading Hints for Parents

Reading With Their Children

Before Reading
- Talk about the cover, illustration and title
- Ask your child if this reminds them of anything else?
- Ask your child what they can see on the cover?
- What do they think it is going to be about?

During Reading
- Read aloud to your child with expression and enthusiasm. Model what good readers do and how reading can be FUN.
- Encourage your child to join in with any rhyme or repetition.
- Ask your child what they think might happen next?
- Talk about what is happening in the illustrations.

After Reading: (Ask your child one or two of these or something similar):
- What was his/her favourite part of the story and/or character and why?
- Does the story remind him/her of anything else?
- Is there anything s/he would like to do as a result of their reading?
- Did anything happened that she/he did not expect?
- What could have happened differently and why?
- If your child could be one of the characters, who would they be and why?
- Did she/he learn anything new from reading?
